Mr. Tom Taguer,  
20 Beekman Street,  
New York City.

Dear Mr. Taguer:

Received your letter of March 6th, very late answering, but I have been quite busy.

I had heard some rumors that Spaldings were going to discontinue business altogether. The firms you are connected with now, do they carry the same class of merchandise that Spalding handled. Will the Ball players be able to get their shoes.

I would appreciate having you send me some of their circulars or write me this information I desire.

We are planning to leave for training camp the 3rd of April at Daytona Beach, Fla.

Yours very truly,
